ANN: The world is an ever changing place and right now is certainly a time of great change. That's why New World Touchy Feely Books is proud to bring you an exciting new series of books for children. Bi-Curious George! Join George as he discovers all the options that a truly free monkey has these days. Don't be afraid to dance and sing with George as he celebrates his real being. And don't be encumbered by the self serving morals of any self-righteous fuzzy cute bear or the ridiculously dogmatic rules of an oppressive pig who has had a sheltered life due to his myopic overbearing parents. Be free. Remember, we all can get a bit curious. Bi-Curious George.
