PHONE ANSWERING SYSTEM: Hello, you have reached the North Pole. Thank you for calling. Santa no longer speaks to the public directly since the stalking incident.

If you already know what you want for Christmas, press one. If you don't have a clue, press two.

(SFX: sound of one being pressed)

Great. You know what you want. If you have been good this year, press one. If you were a rotten punk, press two. If you plead the fifth, press three.

(SFX: sound of one being pressed)

Great. You were good this year. If you gave to charity press one. If you volunteered with a non-profit group press two. If you punched out a mean person and are hoping that counts press three.

(SFX: sound of two being pressed)

Great. If the non-profit group you volunteered with is legitimate, press one. If the non-profit group just happens to be a drunk friend you drove home, press two.

(SFX: sound of two being pressed)

Great. You have qualified for a gift from Santa. At the tone silently wish for the item that you would like. When you are finished press any key.

(SFX: beep)

(pause) (jock could whisper the item they want)

(SFX: sound of key being pressed)

Excellent. We know who you are and where you live. Your order is complete. You can expect your item on December 25th between 12:00 and 12:02 am. Thank you for calling Santa, Incorporated. Caring and Compassion in the Digital Age.
